

## CONDENSED VERSION OF WORKSHOP SCHEDULE

- August 21 (Sunday) is a free day from the official workshop activities. The Fields Institute will post relevant information about what you can do around Toronto, e.g., visit Niagara Falls, Algonquin Park, and more. It will be under “Toronto Resources” on the workshop webpage.

- Lectures on August 16 are at BA 1170.

- Lectures from August 17 to 25 are all at the Fields Institute.

- Reception is on August 19 at the Fields Institute lobby.

- There are several slots available for talks in informal sessions. If you wish to give a talk, please let one of the organizers know. These talks will be scheduled from August 19 on.

- There will be a proceedings of the workshop published in the Fields Institute Communications Series (FIC) from the American Mathematical Society. The fic style file is available from the workshop webpage. Any participant can submit a paper to the proceedings. The deadline for submission is December 31, 2011. All articles will be refereed rigorously.
